The True Priest.

Whom God hath called to be His priest, His minister to erring men, To point them to the Gospel feast, To win them to His fold again. Can learning give-a little Greek-The right in such a Name to speak Is it the wisdom of the schools, Art, wit, or eloquence alone. The poet's, the logician's rules, These-only these-that God will own Is it enough the Church's call,

Succession to apostolical? Is it to seek for ease-apart From earthly cares to live withdrawn Lies it in purity of heart, Or in the whiteness of the lawn To be arrayed in gowns and stoles, Does this make up the care of souls?

Oh, no! a righteous God disowns Such shepherds; they are none of His. Away with triflers, knaves, and drones! God's call the only calling is. Faith is worth more than cambric bands. And love than laying on of hands. How vain are talents-aye, how small The power of language-taste refined, To him who seeks not first of all God's blessing and a lowly mind. The noblest gifts to mortals given

The man of fervor-apt to teach-He is the true, accepted man; And he may pray and he may preach, Though Pope may curse and hishop ban If God but give him leave to trill, He needs not the anomting oil. He scorns the aims of baser minds.

Seem paltry in the sight of Heaven

Who seeks not to be first, but least Behold in him God's chosen priest?

The bull dog barks on the top of the hill . My gal gave the mitten to me.

nard. BY N. S. DODGE.

It was neither the Alps nor the his-

toric Pass that induced our party to go from Martigny direct to Aosta .-Upon the whole route, celebrated by and Napoleon, we knew there was nothing to compare with the Sierra Nevada, Arizona, or Yosemite. But we were curious to see the monks and the dogs,-the former representing brave predecessors of nine hundred years' lineage, for the hospice of St. Bernard was founded in the tenth century; and the latter, the courage, endurance and skill that looks out of -five of us-each with his alpenstock, a mule to carry our light luggage, and abyss, where the Drance forces its way to the valley below; avoiding the woods of St. Pierre, where Napoleon encountered his greatest obstacles Bernard. during that extraordinary expedition of A. D. 1800, and rising by a new the mountains, vegetation gradually shrub, wild flower nor blade of grass. Soil in the most minute quantity there
